## PRICE LIST 2011

Page	Code	Description	For Public
I3	<b>DS0800</b>	Model for implantation demonstration and for the patient-dentist relationship	360,00 €
D2	<b>DS0818</b>	Four- stage development of human dentition	290,00 €
D5	<b>DS0831</b>	Human skull decomposable into three parts	150,00 €
D7	<b>DS0831/C</b>	Plastic casket suitable for all models	20,00 €
D5	<b>DS0834</b>	Human skull decomposable into ten parts	390,00 €
D6	<b>DS0835</b>	Skull decomposable into ten parts with anatomical parts highlighted by colours	450,00 €
D5	<b>DS0837</b>	Human skull decomposable into ten parts with mandible that presents removable teeth	490,00 €
D7	<b>DS0839</b>	Skull model decomposable into ten parts with anatomical preparations highlighted by colours	890,00 €
P12	<b>DS0843</b>	Trasparent guide models	250,00 €
P10	<b>DS0844</b>	Models for parodontology and surgery practice	270,00 €
D3	<b>DS0845</b>	Enlarged models of the five basic teeth, mounted on a support	490,00 €
D3	<b>DS0846</b>	Set of 16 didactic teeth by Prof. Mainardi	290,00 €
D2	<b>DS0848</b>	Model of enlarged decomposable hemimandible, set on a support	320,00 €
D2	<b>DS0850</b>	Model of mouth with chiselled bone to highlight the teeth roots	90,00 €
P4	<b>DS0851</b>	Model for conservative practice, with 28 screw- fixed teeth with easy placing and rigid gingivae	190,00 €
P15	<b>DS0854</b>	Set of 28 spare teeth for orthodontic simulator	160,00 €
P15	<b>DS0855</b>	Wax bites for orthodontic simulator	50,00 €
P15	<b>DS0859</b>	Couples of supports for othodontic simulator	70,00 €
P10-12	<b>DS0864</b>	Spare gingivae	85,00 €
D12	<b>DS0865</b>	Full-scale human mouth model made of transparent resin, assembled on an occlusor, highlighting various pathologies	290,00 €
D11	<b>DS0866</b>	Full-scale human mouth model with pathologies, mounted on an occlusor	350,00 €
P9	<b>DS0867</b>	Set spare teeth for item code DS0985/D	138,00 €
D4	<b>DS0868</b>	Moulding kit of basic teeth through progressive carving stages (removal method)	460,00 €
D12	<b>DS0870</b>	Human mouth model with pathologies, mounted on an occlusor with pink gum hyperplastic gingivae	320,00 €
D12	<b>DS0873</b>	Human mouth model with pathologies mounted on an occlusor with trasparente gum gingivae	330,00 €
P2	<b>DS0875</b>	Kit of models for mobile practice on manikin	950,00 €
D4	<b>DS0876</b>	Enlarged models of 28 human teeth	420,00 €
D10	<b>DS0877</b>	Set of three transparent parallelepipeds	60,00 €

D13	<b>DS0879</b>	Kit showing preparations for the fixed prosthesis	490,00 €
P2	<b>DS0880</b>	Kit of fix for practice on manikin	475,00 €
D14	<b>DS0883</b>	Case study of preparations of fixed prostheses	550,00 €
D13	<b>DS0886</b>	Enlarged models of preparations	280,00 €
D11	<b>DS0889</b>	Models showing the advancing stages of caries progression	220,00 €
D15	<b>DS0891</b>	Kennedy case study made of resin	550,00 €
P3	<b>DS0893/A</b>	German style model for conservative practice, with 32 screw- fixed teeth and rigid gingivae	190,00 €
P3	<b>DS0893/G</b>	German style model for conservative practice, with 32 screw- fixed teeth and gum gingivae	250,00 €
P6	<b>DS0893/U</b>	Universal model	290,00 €
P3	<b>DS0894</b>	Spare teeth for item code DS0893/A	78,00 €
P4	<b>DS0903</b>	USA style model of mouth for conservative practice with gum gingivae	250,00 €
P4	<b>DS0904</b>	Set of 28 spare teeth for item code DS0903	95,00 €
P3	<b>DS0905</b>	Set spare teeth for item code DS0893/G	78,00 €
D4	<b>DS0906</b>	Rooted resin models of antagonist hemiarches	350,00 €
D9	<b>DS0907</b>	Set of 28 spare teeth for item code DS0909 and DS0916	165,00 €
D8	<b>DS0908</b>	Full-scale mouth model with rigid transparent base, mounted on an occlusor	190,00 €
D9	<b>DS0909</b>	Standard mouth model, full-scale, assembled on an occlusor, with rooted removable teeth and pink gum gingivae	290,00 €
P14	<b>DS0915</b>	Bio- models for practice on manikin with natural or artificial teeth with root canal	100,00 €
D9	<b>DS0916</b>	Standard mouth model, full-scale, assembled on an occlusor, with rooted removable teeth and transparent gum gingivae	300,00 €
I3	<b>DS0919</b>	Resin anatomical mandible with seven teeth and three free sellae, partially transparent to highlight the internal vascular patterns	190,00 €
I3	<b>DS0920</b>	Transparent resin anatomical mandible with seven teeth and three free sellae and to highlight the internal vascular patterns.	225,00 €
D8	<b>DS0921</b>	Full-scale mouth model with removable teeth stumped in the roots, assembled on an occlusor	190,00 €
D8	<b>DS0924</b>	Set of 28 spare teeth for item code DS0921	75,00 €
P6	<b>DS0932</b>	Models with gum gingivae for practice on manikin and teeth with channelled and transparent stumped roots	330,00 €
P6	<b>DS0935</b>	Set of 28 spare teeth for item code DS0932	190,00 €
D10	<b>DS0937</b>	Full-scale mouth model with transparent gum gingivae and channelled rooted teeth, with transparent root, on an occlusor	350,00 €
D10	<b>DS0938</b>	Set of 28 spare teeth for item code DS0937 and DS0980	195,00 €
M5	<b>DS0939</b>	Latex throat	90,00 €
M5	<b>DS0940</b>	Gum tongue for all type of manikin	35,00 €
M5	<b>DS0941</b>	Skullcap for standard type on manikin	115,00 €
M5	<b>DS0942</b>	Self- draining face mask for standard type manikin	130,00 €
M9	<b>DS0943</b>	Standard connection with jointed rod	190,00 €
M9	<b>DS0944</b>	Holdfast connection for manikin with bust	180,00 €
M10	<b>DS0945</b>	Slide support	290,00 €
M5	<b>DS0946</b>	Occlusor for cheap type manikin	100,00 €
M6	<b>DS0947</b>	Metal universal articulator	315,00 €
M10	<b>DS0948</b>	Small support rod, with a dinghy equipped with buckles and belts, to apply the manikin with bust to the dental chair	90,00 €
M10	<b>DS0949</b>	Double dinghy support with buckles and belts to apply the manikin without bust to the dental chair	140,00 €

M4	<b>DS0951</b>	CHEAP TYPE manikin	375,00 €
M4	<b>DS0952</b>	STANDAR TYPE manikin with self- draining face mask	790,00 €
M4	<b>DS0953</b>	STANDARD TYPE manikin WITH BUST	1.250,00 €
M7	<b>DS0954</b>	Self-draining manikin with sledge articulator	1.180,00 €
M7	<b>DS0954/R</b>	Rigid face mask for item code DS0954	150,00 €
M7	<b>DS0954/M</b>	Soft plastic mouth mask for item code DS0954	240,00 €
M7	<b>DS0954/S</b>	Bearing and operating structure for item code DS0954	780,00 €
M7	<b>DS0954/B</b>	Bust for item code DS0954	500,00 €
M10	<b>DS0955</b>	Flange connection	95,00 €
M9	<b>DS0956</b>	Holdfast connection with incorporated jointed rod	235,00 €
M9	<b>DS0957</b>	Plate connection with jointed rod	210,00 €
M9	<b>DS0958</b>	Plate connection with double jointed rod	280,00 €
I2	<b>DS0961</b>	Model of jawbone with gingivae for implantation practice, applicable to the manikin articulated rod.	200,00 €
I2	<b>DS0962</b>	Model of a mandible bone for implantation practice	60,00 €
M6	<b>DS0975</b>	Couple of aluminium adapting supports	100,00 €
M9	<b>DS0976</b>	Holdfast connection with incorporated jointed rod for manikin with bust	225,00 €
P12	<b>DS0979</b>	Model for surgery practice	370,00 €
P12	<b>DS0979/T</b>	Screw anchor for model for surgery practice	50,00 €
P5	<b>DS0980</b>	Models for endodontic practice with transparent and channelled root teeth and with gum gingivae	350,00 €
(P15)	<b>DS0980/D</b>	Set of 28 spare teeth for item code DS0980	195,00 €
P15	<b>DS0983</b>	Orthodontic simulator for manikin (without articulator)	280,00 €
P9	<b>DS0985</b>	Model for practice with gingivae showing parodontopathies and carious teeth affected by tartar	300,00 €
P13	<b>DS0987</b>	Model of mouth for teeth avulsion practice on manikin	335,00 €
P11	<b>DS0990</b>	Model for anaesthesia practice	630,00 €
M11	<b>DS0993</b>	“MEDIUM” Model	3.600,00 €
M11	<b>DS0997</b>	“SIMPLEX” Model	3.150,00 €
M5	<b>DS1001</b>	Bust for standard type manikin	460,00 €
M7	<b>DS1002</b>	Self-draining manikin with sledge articulator and bust	1.690,00 €
M8	<b>DS1004</b>	Manikin with aluminium pantograph support and with the upper shape of the face mask in transparent PVC	495,00 €
M8	<b>DS1005</b>	Aluminium pantograph support	195,00 €
M8	<b>DS1006</b>	Shape of the face mask made in transparent PVC	95,00 €
M8	<b>DS1007</b>	Lower mouth mask in soft elastic plastic	60,00 €
M8	<b>DS1008</b>	Holdfast connection	95,00 €
M8	<b>DS1009</b>	The inner articulator, in metal casting	55,00 €
P7	<b>DS1010</b>	Pedodontic model with occlusor	175,00 €
(P7)	<b>DS1010/D</b>	Set of 24 spare teeth for item code DS1010 and art. cod. DS1011	37,00 €
P7	<b>DS1011</b>	Pedodontic model without occlusor	155,00 €

P7	<b>DS1012</b>	Artificial teeth for pulpectomy practice	39,00 €
P16	<b>DS1013</b>	Model with interchangeable screw anchors for endodontic, surgery and conservative practice	1.300,00 €
P16	<b>DS1013/1</b>	Screw anchor for endodontic practice	50,00 €
P16	<b>DS1013/2</b>	Screw anchor for surgery practice	60,00 €
P16	<b>DS1013/3</b>	Transparent screw anchor for guide for surgery practice	50,00 €
P16	<b>DS1013/4</b>	Screw anchor for conservative practice	50,00 €
P8	<b>DS1018</b>	Mouth model for practice with gingivae showing parodontopathies in pink gum, with teeth stumped in the roots	270,00 €
P8	<b>DS1019</b>	Mouth model for practice with gingivae showing parodontopathies, in transparent gum with teeth stumped in the roots	280,00 €
D16	<b>DS1020</b>	Model showing the teeth development and roots formation at the age of 5 years	180,00 €
D16	<b>DS1021</b>	Model showing the teeth development and roots formation at the age of 7 years	180,00 €
D16	<b>DS1022</b>	Model showing the teeth development and roots formation at the age of 10 years	180,00 €
D16	<b>DS1023</b>	Model showing ideal occlusion	180,00 €
D16	<b>DS1024</b>	Model showing malocclusion: class I, overcrowding	180,00 €
D16	<b>DS1025</b>	Model showing malocclusion: class II – division 1	180,00 €
D16	<b>DS1026</b>	Model showing malocclusion: class II – division 2	180,00 €
D16	<b>DS1027</b>	Model showing malocclusion: class III	180,00 €
D16	<b>DS1028</b>	Model showing malocclusion: incorrect bite	180,00 €
I4	<b>DS1038/S</b> a <b>DS1049/S</b>	Models of a basic case history for implantation prostheses	35,00 €
I4	<b>DS1038/I</b> a <b>DS1049/I</b>	Models of a basic case history for implantation prostheses	35,00 €
I5	<b>DS1050/S</b> a <b>DS1061/S</b>	Models of a basic case history for implantation prostheses with removable gum	58,00 €
I5	<b>DS1050/I</b> a <b>DS1061/I</b>	Models of a basic case history for implantation prostheses with removable gum	58,00 €
I4	<b>DS1062/S</b>	Models of basic case history for implantation prostheses	35,00 €
I4	<b>DS1062/I</b>	Models of basic case history for implantation prostheses	35,00 €
I5	<b>DS1063/S</b>	Models of a basic case history for of implantation prostheses with removable gum	60,00 €
I5	<b>DS1063/I</b>	Models of a basic case history for of implantation prostheses with removable gum	60,00 €
I6	<b>DS1064</b>	Mandible bearing structure	58,00 €
I6	<b>DS1065</b>	Jaw bearing structure	58,00 €
I6	<b>DS1066</b>	White resin screw anchors	48,00 €
I6	<b>DS1067</b>	Relating gingivae	35,00 €
I6	<b>DS1068</b>	White resin screw anchors	48,00 €
I6	<b>DS1069</b>	Relating gingivae	35,00 €
I7	<b>DS1070</b>	Transparent resin screw anchor in shape of partially toothless mandible	68,00 €
I7	<b>DS1071</b>	Relating transparent coloured gum	36,00 €
I7	<b>DS1072</b>	Transparent resin screw anchor in shape of partially toothless jaw	68,00 €
I7	<b>DS1073</b>	Relating transparent coloured gum	36,00 €
I7	<b>DS1074</b>	White resin screw anchors	45,00 €

I7	<b>DS1075</b>	Relating gingivae	33,00 €
I7	<b>DS1076</b>	White resin screw anchors	45,00 €
I7	<b>DS1077</b>	Relating gingivae	33,00 €
I7	<b>DS1078</b>	Transparent resin screw anchor in shape of toothless mandible	47,00 €
I7	<b>DS1079</b>	Relating transparent coloured gum	34,00 €
I7	<b>DS1080</b>	Transparent resin screw anchor in shape of toothless jaw	47,00 €
I7	<b>DS1081</b>	Relating transparent coloured gum	34,00 €
M13	<b>DS1082</b>	Simulator dental chair "SUPERIOR" model	5,750,00 €
M13	<b>DS1083</b>	Monitor holder and monitor	590,00 €
M13	<b>DS1084</b>	Endoral camera and monitor wiring connection	550,00 €
M13	<b>DS1085</b>	Micro-motor speed control	500,00 €
M13	<b>DS1086</b>	Curing Light and wiring of its electronic card	490,00 €
M13	<b>DS1087</b>	Ultrasonic scaling device and wiring of its electronic card	590,00 €
M13	<b>DS1088</b>	Extension of instrument-support quiver to six elements	350,00 €
M14	<b>DS1089</b>	Cheap type pneumatic control unit for two instruments, water reserve embodied, foot control included	240,00 €
M14	<b>DS1090</b>	Pneumatic control unit with external water reserve, hanging cords system, for three instruments, foot control included.	890,00 €
M14	<b>DS1091</b>	Pneumatic control unit with external water reserve, automatic running back hanging cords, for three instruments, foot control included.	890,00 €
M15	<b>DS1092</b>	Pneumatic foot control for mini-units	150,00 €
M15	<b>DS1093</b>	Workbench support for hanging cords pneumatic mini-units, with flange connection	230,00 €
M15	<b>DS1094</b>	Workbench support for hanging cords pneumatic mini-units, with holdfast connection	230,00 €
M15	<b>DS1095</b>	Workbench support for suspended pneumatic mini-units, with flange connection	250,00 €
M15	<b>DS1096</b>	Workbench support for suspended pneumatic mini-units, with holdfast connection	250,00 €
M15	<b>DS1097</b>	Multifunctional pneumatic control unit	3.200,00 €
I2	<b>DS1098</b>	Model of a normal mandible	45,00 €
I2	<b>DS1099</b>	Model of mandible with thin ridge	45,00 €
I2	<b>DS1100</b>	Model of mandible with severe shrinkage	45,00 €
I2	<b>DS1101</b>	Model of mandible with bone defect	45,00 €
M16	<b>DS1201</b>	Disposable turbine	8,00 €
M16	<b>DS1202</b>	Push turbine	160,00 €
M16	<b>DS1203</b>	Straight handpiece for surgery	160,00 €
M16	<b>DS1204</b>	Micro-motor	180,00 €
M16	<b>DS1205</b>	Contra-angle blue ring	210,00 €
M16	<b>DS1206</b>	Adjustable led lamp on jointed support	180,00 €
M16	<b>DS1207</b>	Ultrasonic scaler	390,00 €
M16	<b>DS1208</b>	Led curing light	290,00 €
M12	<b>DS1400</b>	"SUPER" Model	5.380,00 €
M12	<b>DS1401</b>	"EXTRA" Model	5.900,00 €
